

VehicleMRI

Diagnose vehicle health in minutes... without lifting a wrench!

NEW for 2017!

Pronto offers VehicleMRI by EASE Diagnostics & DENSO

State of the art technology delivers deep diagnostics in under 10 minutes and provides a vehicle health history that can be accessed anywhere at anytime.

- Save Time
- Boost Sales
- Increase Profit

"Our customers really love the reports... the green and red color-coding makes it easy to understand what is out of limits and what needs attention"

Rick Ruback
Rick's Automotive
